About Indian Dental Association (IDA)

Founded in 1946 IDA is the largest recognized body of dental professionals in India. IDA has a national presence and works with 29 state and 7 union territories and over 360 local branches spread across the country. Its mission is to lead the country to optimal oral health while promoting professional advancement of its own members. IDA is affiliated with distinguished global associations such as the Federation of Dentaire Internationale (FDI or World Dental Federation), Commonwealth Dental Association (CDA) and the International Association for Dental Research (IADR), to name only a few. IDA believes in the importance of oral health and is consistently working towards its aim of optimal oral health for every Indian by 2020.
